PRIVATE AND CONFIDENTIAL

Dear Mr Elissa

Re: complaint lodged against you by [REDACTED]

The Physiotherapy Council of New South Wales (NSW) (the Council) is the statutory body established under the *Health Practitioner Regulation National Law (NSW)*. The Council manages complaints and notifications about the conduct, performance or health of physiotherapy practitioners and students working in NSW.

At its meeting of 4 March 2014 the Council considered the above listed complaint, the response you provided to the Health Care Complaints Commission and the clinical records, the subject matter of the audit carried out by [REDACTED]. The Council determined that it appeared that the notes meet expected standards of the profession. The Council in consultation with the Commission resolved to take no further action with the matter and close the file.

If you require any further information, I can be contacted on 02 9219 0206 or email amceacharn@hpca.nsw.gov.au.

Yours faithfully

Amanda McEacharn
