

To Alan Jones

Even though you have a brilliant memory, it would be extreme of you to remember that friend of mine you called regarding the Paralympic fund raiser even at the [REDACTED] Retired Servicemen League in 2008. It was remise of me not to advise you that we ended up raising up 10,000 dollars. Thank you for your brief conversation in supporting this event. You'll be glad to know that this event was fully supported by an old friend of yours, the late Don Lopez (please see attached photo).

The reason why this letter was written was because I simply wanted to know your relationship with [REDACTED]. The reason being, is we **are currently going through a significant communication issue.** I could not think of anyone better that could open up this conversation and shed light on what I feel is a pertinent issue i.e. future health issues of the burgeoning gaining population. Here in Australia and extending overseas. If you are willing to hear a little bit more and support us, I would be delighted to hear back from you. Our website is [www.\[REDACTED\].com.au](http://www.[REDACTED].com.au).

If you would like to keep your relationship cosher with [REDACTED] and are unable to see the huge impact our service could be, then simply save yourself responding and I will take no response as a decline.

I would be happy to discuss this for 5 minutes in person, or on the radio.
