

**Below is a description of the auditor that (HF) used for my onsite audit.**

---

██████ has a special affection for her role as physiotherapy advisor for ██████ and ██████. She is involved in treatment reviews, fraud investigation and some general policy advice. ██████ has been described by her colleagues at ██████ as a

**terrier but remains hopeful of growing up to become a Rottweiler.**

---

**I did not deserve this.**

**What ever happened to worldly values of honesty, communication, teamwork and treating practitioners with respect. Practitioners after all, slave away day in, day out providing healing and caring to people.**

**Why shoot bambi? I did nothing wrong to deserve this.**
