Hi Andy,

Thanks for calling me and sending me your email address.

I am very excited to tell you about the registered events that we are holding for the Australian Paralympic Committee. (three in total)

The first one is on the 19th of July and is coming together quite well.

The second one is on the 25th of July and is my gym dinner.

The third one is on the 25th of August and is building as the Gala event. It is this one that we require professional assistance for someone to co-ordinate it.

- The details for this are- 200 people dinner

- [REDACTED] RSL.

- tickets \$110

- semi formal attire.

- If you speak to D [REDACTED] (ex Mayor of [REDACTED] / Vice President of the [REDACTED] RSL) and general really nice guy.- Ph: 9 [REDACTED], he is the guy with the best contacts with media, possible celebrities and can really help pull this together.

He mentioned in passing that he would talk to Alan Jones and Ray Hadley about the event to help get the ticket sales.

I have many contacts and information from organising the 19th of July event which would be useful. Attached is some information about the 19th event for you to see.

Would a percentage on the takings be appropriate?

I don't know what is possible, but would love to chat further.

Very keen to hear from you.

Kind Regards,

Monte Elissa
